DESCRIPTION OF THE ORGANISATION

Non- governmental organization MOTHER FLOWER was established in 2.2.2018 as a Citizens Civil Law Association and registered by the Ministry of Interior of the Slovak Republic. Its main focus lies on the enhancement of active citizenship for care, protect, prevent and increase environmental awareness.

Our team is full of innovative spirit that deeply desires to encourage young people to environmental initiative or volunteer abroad. We truly believe that this can significantly help to the personal development of each youngster or young adult and international experience required this way is the right tool to deal with pollution, Global warming and prejudices – still presented in our society, particularly in central Europe.

MF mission is to raise awareness among young people about environmental problems, solutions. Every our Activity leads to the main goal: make people act with respect to nature.

On the local level, we focus on elementary schools, youth and similar organisations. We support youth's ability to participate actively in society. On a regular basis, we organize workshops, competition between schools and introduce these awareness approaches to students, youth leaders, and youth workers.

On the international level, we prepared Erasmus + projects, cooperation's cross Europe to share experiences, good examples and improve environment awareness.

On the global aspect we involved Slovakia to biggest movement in history world cleanup day.
